That we authorize the Fire Chief to complete the needed steps for the easement once the bike/walking path is completed on our Weber street property.

Motion carried unanimously

Good of the Order

BAFA's 9/11 Memorial 5K Run/Walk is September 9<sup>th</sup> at 9 am in downtown Brighton.

BAFA will be commemorating the 22<sup>nd</sup> anniversary of 9/11 with a memorial ceremony on Monday, September 11<sup>th</sup> at 7 pm at headquarters (615 W. Grand River, Brighton). The public is welcome.

Our crews have run on 6 critical care incidents since the last board meeting. One was a crash involving two motorcycles, with both patients incurring severe injuries. Our crews and the EMS paramedics did a great job on the scene.

Our crews also responded to an incident involving the son of one of our firefighters. Luckily the patient was transported to the hospital and is doing well.

There has been an increase in vehicle crashes on Old US-23 between Hilton and Skeman. Due to the construction on US-23 freeway a lot of commuters have decided to travel Old US-23 and folks are driving at freeway speeds instead of the posted speed limit causing accidents. Patrick Michel stated that his daughter was the victim of one of these incidents at Old US-23 & Skeman, fortunately she was not injured but her vehicle was severely damaged.

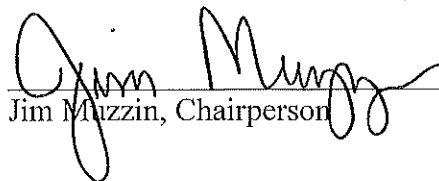

Joe Riker mentioned that VET FEST is this Saturday, August 12<sup>th</sup> from 11 am - 3 pm at the Fowlerville Fair Grounds. Free to all active duty, retired veterans and their military families. They will have food, bounce houses, prizes, resource tables, backpack and school supply give aways and live music.

Adjournment

23:049 Motion by Patrick Michel supported by Terry Croft that we adjourn this meeting.

Motion carried unanimously.

This meeting was adjourned at 8:21 am.
